TO PETITION TAFT TO WITHDRAW.

Nation Wide Movement To Be Started To Get Him To Quit The Race.

Washington, July 8. — A nation-wide movement to petition President Taft to withdraw as the republican presidential candidate is being backed by a large number of republican office holders who feel they face defeat in November, unless the breach in the party can be healed.

These men include members of the state legislatures which will elect senators, state and county officeholders and other candidates. If the movement to petition Mr. Taft to withdraw succeeds in gaining any volume, it is said these same men in the interest of party harmony, may ask Col. Roosevelt also to withdraw as a prospective candidate for an independent nomination and permit a compromise selection of some man agreeable to both members of the party.

It is the desire of the promoters of the scheme that a decision shall be reached before Aug. 5, when the Roosevelt faction plans to hold a convention in Chicago.

Dunn Springs.

Home coming at Dunn Springs Sunday will long be remembered as a great day in many respects. Long before the time appointed for service to begin the church was filled with people, and still they continued to come.

Shortly after 10 o'clock the day's service was opened by song after which Bro. Robinson, the pastor, introduced Dr. T. A. Frazier, of Marion, who for more than an hour spoke in his candid yet pleasing way on the subject of "Preventive Medicine." Dr. Frazier's address was gratefully received by several hundred people, and although the day was sultry no one seemed to tire of the subject which was presented in such an interesting way.

After Dr. Frazier had finished, the regular preaching service began by song followed by prayer by E. T. Franklin.

At 11:30 Rev. Robinson delivered a splendid sermon on the "World's Hope." His discourse was logically arranged, and his delivery forcible. At the close of the sermon a collection of about \$25.00 was taken for the Missionary work.

The benediction was pronounced by Rev. J. B. McNeely.

At noon a sumptuous dinner was spread, and there was plenty to spare.

At 3 o'clock Rev. Mather, of Marion, preached from Exodus 15:27, and those who have had the pleasure of hearing Dr. Mather know that to listen to him is always a treat.

The singing was led by T. R. Yates. After an old fashion hand-shake, the benediction was pronounced by Dr. Mather, closing one of the most enjoyable days ever held at Dunn Springs but shall we have another day like it on July 13, 1913? Yes!

Unique Colored Marriage.

On the evening of July 6th at 9 o'clock our genial county clerk, Learner E. Guess was required to respond to the duties of his office and issue a marriage license for the colored parties, Mitchell Jackson and Miss Alma Shelby who waited mysteriously in the rear of the court house, in J. W. Wilson's automobile. After securing the necessary papers the high contracting parties sped away to the residence of Judge Blue, and stopped the car in the street long enough for an impressive ceremony which bound the two for "better or for worse", and under the rays of electric lights the car vanished from observers and the romance was consummated.

Lorimer Is Expelled from U. S. Senate by Large Majority.

Washington, July 13. — William Lorimer, of Ill., was expelled from the Senate, this afternoon by a vote of 55 to 28.

By that overwhelming verdict his colleagues found him guilty, of having been elected on May 24, 1903 by "corrupt methods and practices." Lorimer did not vote on his own case, but his aged colleague, senator Cullom, turned against him after having formerly voted to keep him in the Senate.

With a smile on his face Lorimer instantly arose from his seat and with a swinging gait walked toward the Republican cloak room. As he reached the door, Senator Smoot grasped his hand and some friends from the house joined him.

Fire Sweeps Cave-in-Rock.

Shawneetown, Ill., July 16. — Practically the entire business section of Cave-in-Rock, fifteen miles below Shawneetown, on the Ohio River, was destroyed by fire. The fire is thought to have been the work of an incendiary. The flames were first discovered in the Masonic building and spread to the next block, burning the Masonic building, Thornton's dry goods store, Hill & Banard's general store, a granary, Dr. Hill's residence and several smaller buildings. The loss is estimated at \$50,000.

Rev. Jas. F. Price in Logan.

Rev. James F. Price is holding a series of Country Church Institutes in Logan Presbytery for the development and encouragement of the country church. He has assisting him in this work W. O. Rodes, an eminent lawyer of Bowling Green, who discussed "The Development of our Young People" in a very forcible way; Charlie Rodgers, a merchant of Bowling Green, who discusses "Christian Giving" from a biblical standpoint; and Rev. Chas. Brevard, who is fine on "The Development of the Country Church."

They held an institute at Pleasant Hill church, near Rockfield, Saturday, July 13. Notwithstanding the very busy season there was a fine attendance. The people seemed to enjoy and appreciate the exercises of the day. They had dinner on the ground and it was one of the neatest and completest ever seen. They had country ham and fresh meats and chicken cooked in every style, almost every kind of pickle and salad that could be thought of, cakes the top note of which was angel's food and the lowest note was the devil's food, and the whole scale between filled with every other variety; and pies galore. They had ice cold sulphur water, plain water and ice cold lemonade. Then came the ice cream of every kind and sherbets. But let's stop right here. It makes us hungry to think about it.

On Sunday a similar institute was held at Old Union church, twelve miles south of Bowling Green, where a good audience, splendid dinner and good time duplicated the previous day's work. On Monday a similar institute was held at Trinity church, six miles south-west of Bowling Green, where the same splendid conditions obtained as in the two previous days. Mr. Price goes to Franklin, Ky., thence into Tennessee, where he will for several days engage in the same work.

BELOVED MATRON STRICKEN DOWN.

Mrs. H. V. Escott, Wife of Well Known Minister Stricken With Paralysis.

Mrs. Escott, wife of Rev. H. V. Escott, was stricken with paralysis at their home on West Salem street Tuesday morning as the family were at breakfast. The stroke was a slight one, still had it not been for the assistance of her husband and daughter, she would have fallen to the floor. Dr. Clement, who was hastily summoned, soon arrived and administered to her. She revived, but at noon suffered another attack and from that time has been considered very critically ill.

Mr. Escott and daughter, Mrs. Addison R. Smith, who was the guest of her parents decided it best to take her to her daughter's home in Louisville where their family physician, a trained nurse and many comforts not obtainable here, could be had for her benefit and where Mrs. Smith's new and elegant home and a full complement of servants were awaiting her return.

Arrangements were made accordingly and at 11 o'clock Wednesday morning, she was carried on a cot to the station and placed aboard her son-in-law's private car which had been sent here for that purpose and to convey his own family home. On board the car beside Mr. Escott's son-in-law Vice President Smith of the L. & N. R. R., were their son, Paul Escott and grandson, Horace Smith and a trained nurse from St. Joseph's infirmary, all of Louisville. Dr. I. H. Clement of this city accompanied them also.

The many friends of Rev. Escott are in sympathy with him, and hope for a speedy recovery of his estimable wife who has won the hearts of all with whom she has come in contact since she has resided here.

S. S. Entertainment.

Mrs. C. R. Newcom entertained her S. S. class and a few invited guests at her home Tuesday afternoon. The little folks played "Drop the Handkerchief" &c on the large lawn until Mrs. Newcom assisted by Mrs. Dodge spread refreshments which consisted of watermelon, ice cream and cake. Every thing was merry when at 6 o'clock Bro. Miller came in his carriage and Mrs. Orme in her auto and took the little folks home.

Those present were, Laura Butler, Katherine White of Helena, Ark., Virginia Miller, Ruth Miller, Margaret Orme, Lavene Guess, Roberta Moore, Bonnie Babb, Allen Babb Edwin Henry, Willie Newcom and George William Howerton.

In Land of White Nights.

(Answers.)

June is the month of the 'white nights' in the north. In Finland one can read a newspaper in the open air at midnight, and the sky is bright with a tender gentle radiance. There is no break between the sunset and dawn and the same rosy flush serves for both. Strictly speaking, Summer in Finland is one long day. The moment the first star glimmers in the south it is a sign that autumn is at hand. The long period of light exercises a wonderful effect upon vegetation and the leaves of trees grow to an enormous size. Up north the development of plant life is crowded into a few weeks but it is none the less perfect for that. Though few people realize it, it is a fact that in June London has only five and one half hours of darkness. Up at Aberdeen in clear nights, there is no blackness only a kind of twilight. Scottish gardeners, if they wished, could work in the open at midnight, except in the south of our sister country.
